principal. The long-term risk of this strategy is that returns may not offset inflation.								
• Income: The primary objective	Income: The primary objective of the income strategy is to provide current income rather than the long-term growth of principal.							
Growth: The objective of the g	rowth strategy is to	increase the value of your i	nvestment ov	er time while recogniz	ing a high likelihood of volatility.			
	• Speculation: A speculative objective assumes a higher risk of loss in anticipation of potentially higher-than-average gains by taking advantage of expected price changes. You recognize and are able to bear the full risk of the loss of some or all principal in such investments.							
Risk Tolerance Descriptions								
 Low (Conservative): I want income or returns and may not 			t, with minima	al risk, even if that m	eans this account does not generate s	significant		
 Moderate: I am willing to accommoney invested. 	ept some risk to my	initial principal and tolerate	e some volatil	ity to seek higher retu	rns, and understand I could lose a port	ion of the		
 High (Aggressive): I am willing or a substantial amount of the r 		k to my initial principal, incl	uding high vo	latility, to seek higher	returns over time, and understand I cou	ld lose all

Roth IRA Account Application (10/05/2	015)	4	©2015 Hilltop Securities Inc.			

Reg. Rep: _ The sweep program is provided by HTS to its customers offering you the option of automatically transferring excess cash balances in your securities account to either an account at a bank whose deposits are insured by the FDIC or money market mutual fund product. A sweep of your excess cash balance allows you to earn interest on the funds while retaining the flexibility to quickly access that cash to purchase securities or withdraw it. HTS may change the products available under the sweep program, however you will receive 30 days notice before certain specified changes are made. For existing accounts, please notify your Financial Advisor if you wish to sweep cash balances to the Bank Insured Deposit, Dreyfus General Money Market Fund, or other selection. Individual retirement accounts and qualified retirement plan accounts may not retain excess cash balances in CIP. Therefore, these specific types of accounts must affirmatively select either the
